

The Center for Special Needs  
Programs for Parents/Professionals Presents:

# **Your Child with Special Health Care Needs: Navigating the Systems**

**Thu, Mar 22, 7-9 pm, \$15/\$20** HSRPAT00W2

Patty Weiner's rich experience as a health education specialist, special education teacher, a child life specialist, educational coordinator and a private clinician put her in the unique position to help parents whose children have been diagnosed with special health care issues, including: diabetes, genetic disorders, cancer, blood disorders, neuromuscular disorders and more. She will give you practical information about health and educational advocacy, hospital and healthcare experiences and camp placement options. A Q&A will follow the presentation.
